

## Authorised nurse immuniser courses accepted in Australian states and territories

Last updated: 11 January 2022

This resource is a guide which lists the authorised nurse immuniser courses accepted by states and territories in Australia. This resource should be used in conjunction with the relevant state and territory legislation.

Recognition of Prior Learning (RPL) is available for some of the courses listed below. Contact your relevant state or territory health department for further information regarding courses that may be eligible for RPL.

	<b>Immunisation course</b>	<b>ACT</b>	<b>NSW</b>	<b>NT</b>	<b>QLD</b>	<b>SA</b>	<b>TAS</b>	<b>VIC</b>	<b>WA</b>
<u>Health Education Services Australia (HESA) accredited courses accepted by states and territories</u>	<u>Australian College of Nursing - Immunisation for Health Practitioners Code 307</u>	✓	✓	✓	✓	✓	✓	✓	✓

## Changes in this update

NT Health now recognises the following courses:

- Benchmark Group Pty Ltd - Course in Immunisation Practice in Primary Healthcare
- University of Melbourne - Nurse Immunisation program

Vaccine providers in the Northern Territory (NT) who have completed a recognised vaccination course or upskilling course in the last 3 years are required to complete the NT AGV Upskilling Course at least every 3 years via the [Remote Area Health Corps \(RAHC\)](#).
